USA TODAY BESTSELLING  
ROMANCE AUTHOR

"THIS FAST-PACED SERIES OPENER DELIGHTS WITH WITTY  
DIALOGUE AND STEAMY SENSUALITY."

—PUBLISHERS WEEKLY

USA Today Bestselling author Tracy Sumner's storytelling career began when she picked up a historical romance on a college beach trip, and she fondly blames LaVyrle Spencer for her obsession with the genre. When she's not writing sizzling love stories about feisty heroines and their temperamental-but-entirely-lovable heroes, Tracy enjoys reading, snowboarding, college football (Go Tigers!), yoga, and travel. She's currently a Southern girl in NYC.
